Introducing Samara Woods at Clark on Keller Lake.

Join us for a life full of color.

There's no reason to settle for beige in your life. Not when Samara Woods will offer an explosion of colors. This new community in the Forest Hills area is a place where members can enjoy life in all its dimensions, through the creative arts, integrated wellness, spiritual expression and innovative cuisine. Experience all this in a beautiful natural environment created in harmony with its wooded, lakeside setting.

At Samara Woods enjoy succulent red organically grown tomatoes, as you dine with your neighbors on the porch overlooking Keller Lake. Email your grandchildren while lounging on your balcony across from the fiery orange autumn woods. Enhance your green lifestyle with new ways to recycle, reuse and repurpose. Relax in the amber glow of the fire as you enjoy a book amidst the rustic beauty of one of the community's gathering areas.
